PRODUCT COCKTAILS

Sumotech + Grooming Cream

After styling, emulsify in hands and apply midlengths through ends to texturize. Great for funky, moveable hold on short, razored, or textured hairstyles.

Styling Cream + Straight

Emulsify and apply to damp hair, roundbrush. Creates shiny, voluminous hair with lots of movement.

Thickening Spray + Grooming Cream

Spray Thickening Spray all over, from roots to ends. Apply Grooming Cream on ends only. Great for those with fine hair, but a lot of it. Gives great body and polish without the weight.

Leave-In (Rinse Out) Conditioner + Styling Lotion

Apply Leave-In, layer with Styling Lotion, blow dry hair straight. Creates a silky blow out with volume, movement and shine.

Grooming Cream + Styling Cream

Emulsify in hands and apply to damp hair, air dry or blow dry. Use on men's hair for a soft and natural, but polished look.

Styling Cream + Detrizz + Leave-In (Rinse Out) Conditioner

Cocktail in hands a bit of Styling Cream, 1 drop of Defrizz, and 1 dollop of Leave-InConditioner, apply from roots to ends and blowdry. Prevents hair catastrophe due to humid weather.

Straight + Brilliantine + Thickening Spray

Emulsify Straight + Brilliantine and apply all over from roots to ends. Spray Thickening Spray on mid lengths and ends only. Blow dry straight, and finish with more Brilliantine. Smooths coarse hair like a flat iron, but still gives lots of body.

Prep + Thickening Spray + Curl Cream

Layer on top of each other in wet hair. Set hair in rollers or pin curls. Air dry or put under dryer. Creates firm, but flexible curls. Great as a base for updos.

Curl Conscious Defining Cream + Styling Lotion + Curl Conscious Holding Foam

Apply Curl Conscious Defining Cream on very wet hair from roots to ends, and a bit of Curl Conscious Holding Foam just to the crown area. Twist 1 inch pieces to help enhance the curl. Spray Styling Lotion all over and diffuse upside down. Great for frizz-free, voluminous curls with extra hold.

Thickening Spray + Surf Spray + Styling Cream

Apply Thickening Spray all over, from roots to ends. Mix a small amount of Styling Cream and Surf Spray and apply to the crown area only. Blow dry with a round brush. Creates big, sexy hair for fine-haired clients.

Sumotech + Grooming Cream + Brilliantine

Apply a small amount of Sumotech to roots, Grooming Cream on mid lengths to ends. Blow dry as usual, and finish with Brilliantine for shine and texture. Creates mega volume on very fine, short hair.
